

Queen Mary Avenue Infant and Nursery School Online Safety Policy for Children

Using the internet can be lots of fun and it also helps us to learn.

Sometimes the internet can be unsafe.

This is how we can stay safe online -

- Ask a teacher if I want to use an iPad or laptop.
- Only use websites and apps that a teacher has said I can use.
- Take care of the computers and other equipment.
- Ask for help from a grown-up if I am not sure what to do, or if I think I have done something wrong.
- Tell a grown-up if I see something that upsets me on the screen.
- Use kind words online.
- Don't give out information about yourself online or speak to anyone you don't know.
- Don't send pictures of yourself or others.

If you break the rules you might not be allowed to use a computer, tablet or laptop.
